Kumala Wine Estate

AECI, Heartland Properties De Beers Road
Somerset West
Somerset West

Phone: +27(21) 8828177

Surrounding South Africa's legendary Table Mountain is a place of lush fertility and natural beauty. This is the home of Kumala, where we make quality wines that are full of character.South Africa's wine-producing area has five main regions, divided into fourteen very diverse wine districts, classified under the country's Wine of Origin scheme. At Kumala we source our grapes from a number of different regions so that we always source the best fruit to make our wines.
