Things are on the up for us, vineyards are looking good and we are looking forward to what the new years harvest will bring. Wines: We have always concentrated on red wines, and of course this year we hope to repeat our successes, but what we also plan for 2011 is to use our Chardonnay and Viognier instead of selling or blending it away. We have not decided yet what to do with it; barrel ferment it, make a blend of the two or have straight varietals. So, something to look forward to in the New Year.
