SAAM Mountain Wine Estate

Stellenbosch
Stellenbosch

Phone: +27(21) 8698244

SAAM Mountain Vineyards encompasses a number of farms belonging to third generation family growers, each with a deep commitment to the land.At SAAM, we plant our grapes according to their natural preferences, whether it's a high altitude view of Table Mountain, warm afternoon sunshine, or a shady slope with cool mountain breezes.Our grapes are sourced from specific areas within the farms, allowing us to make use of individual microclimates and their unique terroirs.
