Our guesthouse is very homely and has a lovely warm, welcoming, peaceful and relaxed atmosphere with a big pool in the middle of the property. We took ownership of the guesthouse in November 2016 and after a brief renovation opened our doors to guests in December 2016. Whether you're visiting for business or pleasure our area has so much to offer: fantastic golf courses, stunning wine farms and world-class restaurants. Not to mention hiking in the Cape Nature Reserves and visiting the many pristine beaches in and around our area and Cape Town. Cape Town is a mere 30 min drive from our guesthouse. You'll love and enjoy our beautiful area and we look forward to welcoming you!. We also offer a delicious breakfast included in your booking rate. Please note: Unfortunately we do not accept children under the age of 12.
