Jaco Groenewald Electrical CC

Grabouw

Phone: +27(21) 859 4544

Jaco Groenewald electrical CC is a Western Cape based electrical company and was established in Feb 2008 as a family business.While we focus on the agricultural market we also specialize in other commercial and domestic electrical installations, repairs and maintenance and have 13 years of experience in our field.We currently have several dedicated teams on the road and provide around the clock standby in an effort to minimize disruption to our clients operations. Our sales department is based at our offices in Elgin Fruit growers business Park, Main Rd, Grabouw.
