Custom made trestle tables made with love!TRESTLES HANDMADE BY AN EXPERT CRAFTSMANTrestles by Arne began from a passion for woodworking and a desire to create unique, handcrafted pieces. It all started in a small workshop where each table was lovingly made with precision and care, transforming simple timber into functional art.Don’t be limited by style, colour, or size. Choose from our standard selection or work with us to devise a unique timber trestle table that meets your every need. The possibilities are endless. Add a unique touch to your home, office, shop front, hotel, restaurant or party venue with a trestle table, custom-made with love.Custom-designed beautiful, functional and classic trestle pine wood tables. I am a true craftsman dedicated to creating keepsake pieces that will last a lifetime. No two pieces are the same, as each timber table is made to order. I take real pride in every project to ensure design, style and practical needs are met from the start.Who’d have thought the humble timber trestle table could be so versatile? Whether you’re looking for a desk, dining table, bench, coffee table or even a console table, we’ll create the perfect timber trestle for you.For blushing brides, event planners, interior designers, shop owners, restaurateurs we’ve got the trestles for you.The possibilities are endless.
