Justifiably this multi-awarded Guest House is truly a remarkable establishment, situated a mere 900m from one of the Cape's best beaches and offers only a pleasant experience to all guests and visitors. Inspired by gratitude and famed for exceeding the TGCSA 4 star grading, this Strand, Western Cape establishment lifts the concept of guest house accommodation to a unique level. We ensure our guests are always well taken care of and rewarded with warm-hearted hospitality, wishing they could stay forever. All 7 en-suite bedrooms are directly accessible from public areas and designed with artful attention to detail. Dai Heka offers secure and exclusive rooms, each with its own distinctive appearance and ambience, providing luxury through simplicity. The unusual décor is a striking combination of Modern Africa and Antique styling in warm earthy tones, shapes and textures and ultimately the epitome of African chic. The mixture of vibrant interiors creates a delightful surrounding of simplicity and deep relaxation....an oasis of calm and serene setting.
