Jungle Gyms, Swings, and other playground equipment available for long-term rental (6 months or longer). Please visit our website for more information, photos and prices. Send an enquiry via email or Whatsapp to find out what units are currently available. Childsplay Hire has been family-owned and -run since the days of big hair and shoulder pads (a.k.a. the 1980's) and continues that proud tradition today. We are a mother-and-daughter team, and our units have brought joy to not only our own children, grandchildren, and friends' children (including their parents' sanity), but to thousands of kiddies over the years. We know our stuff! "Play is the highest form of research." ~ Albert Einstein Children experience the gift of imaginative play and adventure on our playground equipment in the fresh outdoors, learning spatial awareness, physically strengthening their bodies, developing social skills, and most important of all... having GOOD CLEAN FUN in the safety of your garden!...at the end of a day of play, our kiddies' feet should be dirty, their hair messy, and their eyes sparkling...
