Gordons Bay 7140

Phone: +27 795898060

The warmest welcome to you from Zaria Sun. Thank you for visiting my website and I hope to host your stay with us in my apartments in Gordon's Bay in the near future. My beautiful modern property is situated against the mountain, offering you sweeping panoramic views across False Bay. The "sleeping Giant" of the entire Cape peninsular mountain range is featured in the background across the bay presenting you with an opportunity to view the magnificence of the range from Table Mountain to Cape Point in all its glorious splendour. The spacious (180 msq.) self catering Penthouse apartment is a short 45 minute drive from the city which offers you a welcome respite from the energetic pulse of Cape Town. The studio cottage is positioned in our lovely indigenous garden overlooking the Bay. We offer holiday letting on each individual unit or a combination of both units depending on availability. Gordon's Bay is the place to be if you are looking for unsurpassed views, magical sunsets, pristine beaches with warm waters and close proximity to the Cape Wine Routes and nature. Zaria Sun is the place to be if you would like to experience all of the above plus comfort, safety, warm hospitality and privacy. I look forward to meeting you and hope to see you soon.
