GETTING MARRIED ??

THE BARN Wedding Venue which is situated on a smallholding at the foot of the Hottentots Holland mountains in Gordons Bay, offers a beautiful draped hall complete with chandelier, fairy lights and wall mounted decorative candle holders ready for the big occasion.

Yes, the tables and chairs are included and so are the table cloths and chair covers. Of course we have a dance floor and what's more, we include the music system and the DJ to play your choice of music.

Yep we do have a fully serviced cash bar facility. However feel free to bring your own choice of champagne and wine for your table settings. We don't mind and we won't charge you any corkage fees!!

Of course we do catering and if we do, we supply all eating utensils, crockery, food warmers etc, all inclusive at a very affordable price.

No you don't have to clean up afterwards. That is our job.

What's left for you to do? Get a husband and a preacher, invite your friends and do your thing.!!!!!! E-Mail us your phone number, the date that you have in mind and more or less how many guest's you will be inviting and I will forward you the full wedding package that we offer.
