IT Tech Computers is a professional team who aim to assist our clients with their day to day IT support requirements. Our team consists of young and dynamic individuals who strive to provide our clients with the best service possible. IT Tech Computers was a dream of ours that we finally have the opportunity put into action.Originally from Kwa-Zulu Natal, our team have traded in Zululand for the beautiful Western Cape. We could not have chosen a better place to start and grow our business. IT is not only our work but it is a way of life, which we strive to reflect in our quality of work.Two Microsoft Certified Engineers with a combined experience of more than 10 years form part of this passionate dream team. Morne and Stephen are not only business partners but also specialists in their field. They are committed to assist our clients efficiently and effectively within the shortest period of time. Salome is our office manager and strives to ensure the quality of our work is always maintained at the highest levels – after all we are “Enhancing IT”.
