---

Strand 7140

Phone: +27 79 119 6417

In-House Plumbing Pty Ltd is a fully licensed and registered plumbing company, servicing the Helderberg and surrounding area. When looking for a plumbing company, look no further we do it all. From geysers too blocked drains, leaking toilets, burst pipes, faulty valves, dripping taps, solar water heating, heat pumps, certificates of compliance to new installations, maintenance and services. Our priority is to provide our customers with fast, reliable and efficient services and the best customer experience. With more than 15 years in the industry we thrive on neatness and correctness and only use the highest quality SABS approved materials to ensure that the job gets done to the highest possible standard.
