Powertex

Framing Creations, Lions Square
Somerset West

Phone: +27 845838238

Powertex can be used for many applications eg. garden statues, jewellery, theatre sets, paintings etc. Powertex is available in lead, bronze, terracotta and transparent. Drench fabric in Powertex, wring out and drape onto wire figurine and let it dry, paint with acrylic pigments or use a coloured fabric. Very versatile. Product is waterproof, weatherproof and hands and utensils can just be washed with warm water and soap. Product is available from Bobby Westman, the sole distributor in South Africa for Powertex. We offer workshops and assist anybody who wishes to use the product. Safe for children and grown ups. Non-toxic. Many applications.
