E.P.duToit & Associates CC offers Architectural services, Building plans, Construction and Management. Our service is based on Quality, Firmness, and sound business relations. We combine creative design with sound technical knowledge to create successful residential, commercial and mixed-use schemes as both standalone projects or within wider masterplan designs. Our diverse, passionate team of creatives commit to delivering impactful designs through exploration, research and collaboration. We listen intently to our clients and explore their brief to deliver unique buildings and spaces which are grounded in commercial reality and are specific to their location. Architecture A successful building embraces its context: socially and physically. We produce buildings that work intuitively with the environments they join are sustainable and intelligent by nature. E.P.duToit & Associates CC building is technically sound and sensibly grounded in reality. Appraiser certified in terms of Section (6) of the Administration of Estates Act, 1965 (Act 66 of 1965), for the District of Strand.
