

Klein Moerbeï Wines

R310

Phone: +27(21) 8813381

The Moerbeï vineyards are now fully restored and producing award-winning wines. The farm has blocks of Merlot, Shiraz, Cabernet Sauvignon, Sangiovese, Sauvignon Blanc, Chardonnay and Semillon in addition to the original blocks of Chenin Blanc and Pinotage. Klein Moerbeï's Chenin Blanc vineyard produces some of the best fruit to be found in South Africa, and it is the source of Spier's Private Collection Chenin, which has regularly come in the top three in South Africa's Chenin Challenge. The Cabernet Sauvignon and Merlot also go into Spier's top-performing reds. One of the old farm buildings has been restored and converted into a traditionally equipped boutique winery, which can produce about ten thousand bottles of wine a year. Every bottle of wine is made with loving care!
