BOTANICAL VINEGARS Our vinegars are naturally fermented in small oak barrels, infused with select botanicals and then matured over a 12 year Solera system. A balance of sweetness and acidity yields a rich, balsamic-style vinegar – a robust tonic and chef’s essential.ESSENTIA PREMIUM VINEGAR Matured in oak barrels for 20 years, Essentia Premium Vinegar offers a complex, age-old duet of sweetness and acidity. The precious balsam embodies a life-long pursuit of quality and purity, its creation spanning two generations of the Ammann family.
