Today the Van Niekerk brothers are the 5th generation to own and work this beautiful farm. Following in the footsteps of their father, Hannes, who was awarded the prestigious Smuts Trophy for his wines, they continue the long and honourable family tradition of winemaking. James, in charge of the vineyards, and Hansie, responsible for winemaking and marketing, together with their wives Carol and Ingrid, form a vibrant young team, passionate about wines and delighted to share their heritage with visitors and guests. Situated in peaceful gardens, with a tempting rock pool and rustic outdoor lapa, the 3-star guesthouse spoils guests with traditional Cape hospitality and fine food. Knorhoek is a popular venue for weddings, conferences and other functions.
