63 Dorp Street
Stellenbosch

Phone: +27(21) 8877678

Smuts & de Kock Architects started in the early 1980’s and has grown into a leading Architectural Practice specialising in health care facilities and commercial projects. The firm’s exposure expanded into Africa and is currently involved with projects in Namibia, Uganda, Angola, Cameroon and the UAE.

The Client Base are inter alia the following:

· WORKS DEPARTMENT OF PROVINCIAL GOVERNMENTS
-Western Cape Provincial Administration: Health Facilities

· PRIVATE HOSPITAL GROUPS
-Medi-Clinic Group

· TERTIARY EDUCATION INSTITUTIONS
-University of Stellenbosch S.A

· INTERNATIONAL RETAIL GROUPS
-Shoprite/Checkers Properties
-Moolman Group of Companies

· PRIVATE DEVELOPERS
-MSP Projects (Cape Town)
-The Gondwana Group (Namibia)

Smuts & de Kock Architects, when running a sizeable project normally has a full time presence by way of a Clerk of Works. The project leader inspects a site a minimum of once a month, not only for inspections and quality control, but also for technical and progress meetings
