Audio Visual Production Throughout your event, from concept to completion, Hometown Productions takes pride in providing expert and reliable assistance to ensure your vision is recognised, successfully and professionally. From corporate events, gala dinners, large scale product launches or discreet boardroom meetings, Hometown Productions offers production solutions for audio visual hire, PA systems, staging, creative lighting, or set design on any scale to arrive at a successful result. Our specialist team leaves no question unanswered in the quest to provide South Africa's premier level of technical expertise, venue knowledge and logistical planning. Our attention to detail is your assurance.
