Builders in Somerset West - WHY US? • Hennie Bothma Constructions is registered with the NHBRC

- Custom builders for more than 20 years - both luxury residential properties and commercial projects with an excellent reputation.

- We are only satisfied if you are - we want to earn your referrals and reviews.

- We pay great attention to Detail and do Quality Control throughout the entire

Building Project.

- We use only the Highest QUALITY of building materials.

- We are dedicated to providing the highest quality workmanship and services and value for money.

- We offer a turnkey solution

- We offer a variety of building services to address all of your building needs. We

listen carefully to your Building requirements. From the very beginning, we sit down

with you to talk over your ideas, design requirements, budget guidelines and

specific preferences, in order to reflect these in your architect-designed renovation

or new building. Hennie Bothma Constructions will give you the best possible

Advice, use the best quality materials available and get the job done within the

required time making sure that you are completely satisfied.
