Dax Construction specialize in the building of up-market residential homes, commercial buildings, lower cost housing developments, extensions and professional renovations. We are a reputable company with many years of experience. Based in Somerset West, we build dwellings throughout the cape peninsula. Dax Construction is registered with the NHBRC (National Home Builders Registration Council) - a council that protects the consumers of property in South Africa. With over 10 years of building experience in the Western Cape and 10 years experience in the UK, we have a first hand knowledge of what is required to ensure the best final product at an affordable price. With Dax Construction, the Client always comes first. It is our stated aim to satisfy our Clients and confirm our commitment to the highest service possible, both in quality & support. We believe in great service and attention to detail.
