Gordons Bay is a picturesque coastal village nestled between the foot of the Hottentots Holland mountains and the False Bay coast. It is an ideal stopover to or from the Garden Route, only 30km from Cape Town International Airport, and 60 km from Cape Town City Centre (+/- 45 minutes). We have four Deluxe Double bedrooms, all en-suite and with private balconies. All the bedrooms have a great sea view and are tastefully decorated and equipped with tv, dvd, small bar fridge, electronic safe, coffee/tea making facilities, air conditioning, ceiling fans, hair dryers, toiletries and cotton percale linen. We also have one Self Catering (Family) Unit (sleeps 3 max). Steps and a short walk take you from the guest house to the famous Bikini Beach (Blue Flag status) and restaurants, the harbour and the main beach. We are situated on the famous Clarence Drive which has in 2014 been voted as the most scenic coastal drive in the world and are also ideally situated for visits to the many surrounding wine estates (Helderberg, Stellenbosch, Paarl and Franschoek) and for whale watching during the months from July to November.
