We know you have big dreams, we will get you startedIt can be a daunting task for any student when selecting the most suitable tertiary education institution – and especially because this is such a major step that will directly affect one's future and career path. So why choose Boston City Campus & Business College? The facts speak for themselves…This multi award-winning tertiary education institution has been around for over twenty five years and has acquired the reputation of not just educating students in their chosen career paths but educating them for life. Boston offers over 100 course options, including degrees, diplomas and short courses, making sure there is a career option for almost every student. Currently there are over 40 tuition centres in South Africa and a student body of over 25000. By taking a more personalised and holistic approach to education and by placing emphasis on the "real world experience", Boston makes life great for students. Producing well-rounded learners is not just about the emphasis placed on teaching methods and becoming work ready. It's also about networking and socialising while on campus. These are the days one will remember for the rest of one's life and Boston further recognises the need for a happy balance between the demands of academia - and leisure and recreation. And of course, getting you ready for great employment!
