At Somerset College we endeavour to provide a nurturing and stimulating environment where young people are guided by teachers of calibre to develop self-awareness and positive relationships. We endeavour to provide each child with the opportunity to acquire the knowledge and skills to equip them to adapt and flourish in an ever-changing world. We hope that our school community will always contribute to their world with dignity.We envisage a College which
– offers a world-class standard of education, within the context of South Africa
– strives for excellence in all activities according to each individual’s unique ability
– nurtures sound, caring relationships
– has a Christian foundation and fosters respect and understanding of other religions
– creates a stimulating and challenging working environment for the entire College community
– provides an educational asset which serves the wider community.Our values:
Dignity
Aspiration
Creativity
