

Claude Behrmann Architect

De Zalze Winelands Golf Estate
Stellenbosch

Phone: +27 765481051

Claude Behrmann Architect located in the magnificent Winelands of the Cape Province South Africa brings local influence and history, international experience and contemporary design to custom built homes, hotels, educational institutions and more.

A deep love of South Africa's Cape coupled with extensive experience in the United States and Latin America has enabled Claude to successfully design and bring to life the vision of numerous clients around the world.

The Cape Winelands has a unique and renowned architectural heritage, set in a dramatic and spectacularly beautiful landscape. Claude Behrmann's architecture complies with the principles of "Critical Regionalism", making it true to both its time and place.
