Tim Ziehl Architects is based in Stellenbosch, South Africa. We work countrywide, & elsewhere in Africa. Our mission is to provide a personalised architectural service. We deliver quality design products and intelligent services in architecture, interior design and planning, including assessment for a range of selected commercial, corporate, public and institutional markets.

We provide a complete range of Architectural services — from master plans, feasibility studies, program analysis and site selection through post-occupancy evaluation — for projects of every type, size, and scope.

We have an ongoing commitment to excellence in design and quality service.

The practice and partners are registered with the South African Council for the Architectural Profession, the South African Institute of Architects, and The Cape Institute of Architects. For our clients' further peace of mind, the practice is underwritten by a respected insurer in the form of Professional Indemnity Insurance.
