

# WP Bosch & Associates

---

98 Dorp Street  
Stellenbosch

Phone: +27(21) 8829771

WP Bosch & Associates architects were established in 1995 and our focus is on understanding the exact needs of our clients, right from conception to the design and realisation of the client's living and working space. Our renowned architectural designs are to be found in South Africa as well as overseas. Since the inception of WP Bosch & Associates, we have been involved in institutional, industrial, residential, commercial and consulting architecture for a cross-section of local and foreign clients.
