Medi-Health Pharmacy is strategically situated in the central business district of historical Stellenbosch, an ideal location for the holiday traveller, student and business person who works in the down town area. The pharmacy is part of the greater Checkers Centre, on the corner of Dorp and Mill Streets, and is within easy walking distance from most parts of the central business district. Medi-Health Pharmacy boasts professional advice from qualified personnel, extended operational hours and quality service and products to meet your needs. The dispensary is contracted in to most medical aids and pharmacists can claim on behalf of the customer. Fulfilling your prescription requirements is a seamless process and the pharmacy will deliver upon request. Accounts can be opened upon request. The well-stocked gift section is a delight for those seeking that perfect item as a gift for a birthday or anniversary and there are even toys to complete the selection.
