Welcome to Anna Basson Properties Stellenbosch, South Africa. As Real Estate Agents we have been in the property business since 1970. We therefore have vast experience of Houses, Flats and Apartments. Our Stellenbosch property portfolio includes Farms, Lifestyle property, property to let, property to rent and property for sale. Our rental stock includes houses to rent, apartments to rent, flats for rent and commercial property. Our Property experts can help you with houses, townhouses, lifestyle property and farms for sale. We also offer lock-up-and go properties, walk-ups, golf estate homes, homes and studios. With a wealth of experience and established goodwill among local and international buyers, our agents are well equipped for the task of selling property and delivering service. The particular preferences of international investors and immigrants are well understood by our agents. Committed to the greater Stellenbosch area, we operate from our historic premises in the old village center.
