Adrienne du Plessis Image Consultant

Paarl

Phone: +27 84 515 3637

I am a practising Chartered Accountant with experience of working at audit firms and listed and private companies. Due to the nature of my career, I have developed a meticulous eye for detail which I now use in styling. With a desire to start my own business and a passion for dressing people, styling was the next step.I am happily married to a fantastic man and we are blessed with two amazing children.My studio is based in Paarl, but I travel to clients.
