The Ciatti Company is committed to providing you with all your wine and drink making needs. Whether you're after 5 gallon pails or bulk tanker quantities, we can find the right product for your requirements. The following are products we source from around the world: Bulk Wine Ciatti Company is the world's largest broker of bulk wine, and we can provide you with all your wine supply solutions. Evaluation Services From evaluating the price of a single lot of wine, to evaluating entire winery and vineyards assets, the highly qualified and experienced brokers can assist you with confidence and discretion. Grapes When sourcing or listing the perfect parcel of grapes, Ciatti Company can make harvest time much less stressful by brokering them for you. Concentrates & Alcohol Sourcing both domestic and international concentrate, as well as alcohol spirits, has never been easier than with the attention to detail and service of the Ciatti Company.
