Paardevlei Specialist Medical Centre Lobby A, 2nd Floor 26 Gardner Williams Avenue

Paardevlei  
Somerset West

Phone: +27(21) 850 0922/

The Practice was founded in 2002 in Somerset West. I have been in solus practice since then, but have shared premises with various Health Care Professionals over the years. It was a privilege to learn from these Health Care Professionals and it has opened my mind to many different approaches to treating pain. It also made me realize how important it is to treat each person as an individual, as no two people are the same.
