Francois Mynhardt Civil Engineering

Faure Marine Drive
Gordon's Bay
Gordon's Bay

Phone: +27(21) 8563895

The Business is headed up by Francois Mynhardt, a Civil Engineer, who has been actively involved in the Civil Engineering field since the early 1980’s. The initial focus was on Industrial and Commercial projects, i.e. Woolworths Sandton and the Mozal Project in Mozambique for the companies he was involved with at the time. In 1999 Francois Mynhardt Siviel was formed and the focus moved to luxury residential projects specifically in security estates. Francois Mynhardt Siviel became well known for exceptional properties with outstanding finishing and several properties have been featured in national publications and on television. Since 1999, more than 25 homes with a net worth in excess of R150m have been completed. The company is dynamic, constantly evolving with market trends.Francois Mynhardt firmly believes in supporting his local community and as such is proud to be a sponsor of the 1st Rugby Team of Laerskool Eikestad in Stellenbosch. As such the range of services have over the years expanded and in addition to the construction and project management of new homes the following services are offered:? alterations? renovations? waterproofing of new roofs & balconies? waterproofing repairs of leaking roofs and balconies? concrete slabs and staircases and? specialised marine concrete works
