Consultants was established in January 2007 by owner and managing member, Mr. Rustum van Reenen, in order to form a Black Economic Empowered consultancy headed by a team of professionals.The RVR Consultants team is dedicated to providing appropriate and cost-effective solutions for the benefit of our clients and community. Our team uses the latest computer aided draughting, design and analysis tools to provide the most reliable, efficient, accurate and cost effective analysis and specifications. The RVR Consultants team’s commitment to constant growth and improvement provides advanced value-added and cost effective solutions for our clients.At RVR Consultants, our designs begin with conceptual development and continue through construction documentation with full participation of our client, in various stages of the project.We aim to supply a “One Stop” TOTAL Solution to clients requiring any of our above mentioned services. We have the staff and resources in-house to handle every phase of a project, from the Inception Stage to the Close-Out Stage and with customer satisfaction as our goal; we develop partnerships and provide services to meet our client's financial and operational constraints.RVR Consultants strives to be a dynamic pacesetter at the forefront of Black Economic Empowerment in South Africa. RVR Consultant’s vision is to be the preferred supplier of services in the built environment sector to any and all public and private enterprises.
