Giupetto and Son Restorers started in April 1990 when I repaired a huge round oak table that nobody else wanted to repair, for John Keehn. The result was so fantastic that he exclaimed: "You brought the wood to life". Giupetto and Son Restorers were born as Giupetto brought Pinocchio to life with skill and craftsmanship. We strive to service our clients and their feedback a great reflection of our quality.

OUR SERVICES At Giupetto and Son Restorers we offer a wide range of services that will help turn your beloved furniture into the look and feel that you are after.

FURNITURE RESTORATION Custom wood finishing and refinishing. Wood furniture restoration. Touch up work. It happens sometimes that someone knows that it could be better than it currently is. Those people come to Giupetto and Son Restorers.

FAMILY HEIRLOOM RESTORATION Restoration and repair of family wood pieces. Fabrication of replacement parts. Touch up work. We can restore your treasured family heirloom pieces to the state it deserves.

ANTIQU

RESTORATION Restore antique furniture to its original state. Repair damaged furniture and restore. Touch up work. Restoring an antique is a work of art. We can restore your historic pieces to a like-new condition, preserving the work of art against further deterioration.

FURNITURE REPAIR Re-glue loose joints. Fabrication and
