Our tours are specifically aimed at nature lovers and photographers. We offer

exciting, comprehensive, practical photography tuition presented by a professional

photographer accompanied by a seasoned nature conservationist and qualified field

Guide.

Our practical photography workshops include Nature, landscape, Social

Documentary and Mystical Star Trails. All tuition takes place as we tour the

inc...redibly beautiful Western Cape with its majestic mountains & rivers, gorgeous

wine lands and interesting, indigenous peoples.

Let us take you on an unforgettable journey where you can experience, not only the

breathtaking beauty of nature, but can also improve your photographic skills as well

as develop new ones, at the same time.
