Or read more on their services below: Local Furniture Removals in Cape Town & the Western Cape Cape Removals offers affordable moving services in Helderberg, Cape Town, and the Western Cape. Each move is completed by a professional team of furniture movers,

who use only fully enclosed vehicles along with protective blankets and strapping to ensure safe transportation. With a large fleet of different sized moving trucks, Cape Removals is able to assist with anything from small apartment moves to large home removals. If you're planning a small household move, they offer an affordable mini mover service in Cape Town, designed to be quoted to only the truck size and team you need; nothing more. Our frequent service areas in Helderberg include: Somerset West Moving Company Strand Moving Company Gordon's Bay Moving Company Long Distance-Removals Throughout South Africa Cape Removals offers weekly long-distance moving services between all major South African cities, making it easy to relocate across provinces. Once again, their reviews speak volumes and it is clear why Cape Removals is one of the best long distance moving companies in South Africa. Their extensive network includes Cape Town, Johannesburg, Pretoria, Durban, Nelspruit, Port Elizabeth, the Garden Route, and more. Whether you're moving a full household or a smaller load, Cape Removals' national logistics network allows furniture and personal belongings to be transported safely and efficiently between cities. If you're looking for an affordable long-distance moving company, try their unique shared load furniture removal service. This service taps into their coordinative share load furniture moving company network, allowing multiple clients to use available space on a truck already headed to their major city or target destination. The Benefits of Share Load Furniture Transport This system, with its reduced furniture removal costs, serves as a great way to save money while guaranteeing a professional approach with the utmost care from a dedicated furniture removal team. Each client's items are compartmentalized to ensure nothing goes missing, and all shared load moves are completed with fully enclosed vehicles including protective blankets and strapping to ensure safety. Here is what you can expect: Huge savings on long distance moving costs Two weekly trips between all major provinces to accommodate different moving dates Careful packing, protection, and secure transport to ensure safe delivery of your goods A full inventory list written up on collection so every single item is tracked at delivery Shared loads go hand in hand with mini long distance moves, and frequent routes include: Mini Removals from Johannesburg to Cape Town for small loads

Removals from Durban to Cape Town for small loads
Mini Removals from Cape Town to Johannesburg for small loads
