The gallery at Cavalli (Winner of the regional 2015 Best of Wine Tourism Award for Art and Culture) aims to encourage the local arts through its platforms of public sculpture spaces and a public art gallery. Themed contemporary exhibitions are presented at regular intervals in the 600sq/m main gallery space allocated on the below ground level. An innovative stretched translucent ceiling backlit with LEDs illuminate the impressive space to simulate daylight. All art is available to purchase.

The Cavalli Private Collection of South African Masters is frequently rotated in the portico situated within the main gallery and two memorabilia rooms allocated in close proximity showcase a remarkable collection of rugby and sports Memorabilia. The gallery is open 5 days a week, Wednesday to Sunday 10am to 6pm.
