Welcome to KLEEN EEZY At Kleen-Eezy we specialise in the manufacture and sales of household detergents and industrial perfumes. For over 20 years we have held the number one spot in household detergent manufacturing in the Western Cape and in the past few years, we have branched out into industrial perfumes and many other products that are required in the chemical industry. We import many of our raw-materials and are proud to share that we have become one of the leading suppliers to many chemical manufacturing companies across South Africa. Kleen-Eezy is also the leading supplier to Laundries in South Africa. Our business is centred around great products and followed up by personal and professional customer service. With Kleen-Eezy products, you receive massive savings on your monthly cleaning bills. Great Products, Great Business Opportunity Looking to start your own Kleen-Eezy franchise?
