About us at Artificial Grass South AfricaOur company Artificial grass South Africa uses the highest quality artificial grass available on the market today. Artificial Grass south Africa is the nation’s leading supplier of artificial grass for residential and commercial applications. We pride ourselves on offering the highest quality artificial grass on the market. We have professional affiliates and installation nationwide with years of experience in field making us the leading experts in artificial grass. While water conservation is a big proponent of artificial grass, it is much more than drought tolerant landscaping. Our artificial grass offers solutions to the landscaping problems that seemed hopeless. It provides homeowners with the luxury of never having to mow the grass again or apply pesticides, fertilizers and weed control. By supplying and installing high quality artificial grass, creates a new lifestyle where the grass is always greener, no matter the conditions.
