Marble and Granite SpecialistsThat Rock Shop specialises in the manufacturing and installation of Engineered stone, Granite and Marble in kitchens, bathrooms, on floors, staircases, tables, bars, fire places, etc throughout Cape Town and the Western CapeBased in Somerset West our company has grown from strength to strength over the past few years and it has become one of the most sought after marble, granite and engineered stone fabricators and installers in the Western Cape.Whether you only have a kitchenette or vanity to refurbish or a multi-million rand home or office project, you will receive the same passionate service, attention to detail and precision installation.Our manufacturing and site teams are professionally trained in the industry and each one is skilled in their own particular field whether it be polishing, profiling, cutting or installing.We will ROCK your world … no … really!Why you should be excited to welcome the legacy of That Rock Shop into your home, office, hotel, restaurant, clinic, hospital, shop, etc. We never forget that our clients are the reason for our existence. We regard our employees as our most valuable asset We only source the highest quality materials from the most trustworthy suppliers. We handpick our business partners like cabinet makers, builders and architects with whom we contract. We are perfectionists and prefer to

do business with like minded people. We only employ the most skilled and experienced staff whom we closely supervise and train continuously. We regard our clients' property as precious as our own and never treat it any different, whatever we do. We don't follow, we lead. We lead in manufacturing and installation. We lead with fresh innovative manufacturing ideas which are taking the industry by storm. We lead with advice on the suitability of your chosen material for its specific purpose to ensure 100% satisfaction.
