

Crawford Steel Services

21 Daniel Street
Strand

Phone: +27(21) 8535414

Crawford Steel Services was established 18 years ago, in April 1994, as Aspect. We first started out doing epoxy powder coating, and a year later we started selling steel. We have always strived to give good service and quality workmanship. The business was built on quick and efficient service, which we try to uphold. We have always strived to give good service and quality workmanship. The business was built on quick and efficient service, which we try to uphold.
