Yzerfontein Accommodation offers you a unique selection of guest rooms and self-catering holiday apartments.Locate your dream holiday accommodation and visit our website and secure it through our online booking system.In the Western Cape Province is a small quiet seaside town of Yzerfontein. Situated on the West coast of South Africa about 80 kms north of Cape Town.This unspoilt fishing village overlooks a harbour on the Atlantic Ocean. It has endless white beaches, it is famous for having the longest uninterrupted sandy beach on South Africa’s coast.Yzerfontein has changed from a small fishing village into a prime investment area near Cape Town, the wine farms of the Darling area, and the windsurfing resort of Langebaan.The climate is Mediterranean and the summers are warm and winters cool. Summers are dry, bright and sunny, and rain falls in winter.Things to do in YzerfonteinParkrunJoin the parkrun every Saturday morning. Visit our Facebook page. View our parkrun Accommodation PackagesWhale WatchingEven the whales choose Yzerfontein. Be on the lookout for Southern Right and Humpback whales who frequent the area for most of the year.Watch out for the endangered Oyster Catcher and help us to ensure their presence on our beaches for many more years to comeEndangered OystercatcherWatch out for the endangered Oystercatcher and help us to ensure their presence on our beaches for many more years to

come.Cycle & SaddleCycle and Saddle Experiences when you stay with Yzerfontein Accommodation. Saddle experiences for your family - BOOK YOUR RIDES NOW just 1 hour out of Cape Town! Approximately two kilometres long, it starts from the main beach and runs in a southerly direction towards the harbour. On the trail many indigenous coastal bird species may be encountered. One of the most important is the once endangered Black Oystercatcher with its bright red legs, long pointed red bill and shrill whistle-like screech.16 Mile BeachThe 16 Mile Beach Challenge in slack pack format between Yzerfontein and Langebaan offers a unique experience of the West Coast over the stretch of 1 night and 1 day with the option of a 2nd night after finishing the trial.The hike has been designed to suit any walking fit individual looking for a challenge and an escape from daily routine and includes a unique introduction to the region and specifically the West Coast National Park, tasting the acclaimed local wines before enjoying a typical West Coast dinner and walking the pristine 16 Mile Beach (26 km), a hike along the longest uninterrupted sand beach in South Africa.The trail requires hikers to be walking fit on Level 4 and is suitable for a group or family but with no children under 16. Reservations for groups of 7 and maximum 15 are welcome.
