Sinmarie Pieterse -Educational Psychologist

7 Stellendal Street Somerset West 7130

Phone: +27(21) 8520845

Sinmarie Pieterse with more than 25 years' experienceAbout Mel hold a Masters degree in Educational Psychology (University of Pretoria) and is a registered Educational Psychologist with the Health Professions Council of South Africa (PS 0040223). I have twenty four years of experience in the field of child psychology, assessment (educational and emotional), psychotherapy, parental guidance and career guidance. I started my career at the University of Johannesburg's Institute for Child and Parental Guidance in 1993. Psychological assessments, career guidance, psychotherapy, counselling and parental guidance were part of the services offered to parents and their children. Thereafter I worked at Gauteng's Educational Aid Centres as an educational specialist. In 1997 I worked as a school psychologist at Sonitus School for the Hard of Hearing. I locumed at Procare, an organization for social workers and psychologists in private practice, where I mainly worked therapeutically with sexually abused girls and children who went through a divorce and did hypnotherapy with teenagers and adults. My services include Hypnotherapy, Play Therapy, Assessments (Scholastic/Emotional) and Career GuidanceTherapy & CounsellingHeal, discover and gain from psychotherapy. I offer play, adolescent therapy as well as individual adult guidanceSignificant HypnotherapyThe mind has page 1 / 2

the power within it to create healing and wellness. Through hypnosis I am able to help with many issuesAssessmentsAs assessment can be done for various reasonsConcessions assessmentDetermining the emotional wellbeingDue to behaviour problems of a childScholastic levelsDevelopmental levelsSchool readiness assessmentsIdentifying learning problemsNeurological problemsIf there is ADHD or ADD etcTherapy & CounsellingChildrenAdolescentsIndividual Adult PsychotherapyAbuse and NeglectTraumaHypnotherapyFears, anxiety, and Posttrauma anxiety, Grief and LossDepression, Anger, Stress, Sleep DisordersBusinessPersonal Issues
