

Karoo Rust Guesthouse

H/V Kerkstraat en Luttigstraat
Prins Albert 6930

Phone: +27 714008495

Both Johan and Leoni have an incredible passion for people and Prince Albert itself and it is one of their main reasons for building a guest house in the town they both love. They have built this establishment from the ground up and has made sure that every need is catered for. The Guest house has also been decorated with feeling to create a sense of "home away from home" experience. The guest house has recently received the 3 star rating proving their facility's quality even further. Johan and Leoni are always conducting themselves in a friendly and professional manner while taking the time to address your needs and are more than willing to help wherever they can. As an additional service Johan himself likes to personally take clients on trips around the area and tell them about the history and influences that surround Prince Albert. They are looking forward to your business and making your stay in the beautiful town of Prince Albert a memorable one.
