Hazil & Bazil is an experienced branding and creative design studio with 12 years of experience across different blue chip brands. We are based in Somerset West, Cape Town, however we work nationally and internationally too. We apply graphic design to diverse areas such as corporate identity, logo development, branding, packaging, signage, adverts, booklets, brochures, infographics, posters, stand banners, invitations, electronic brochures, promotional items and many more depending on our clients' needs. We believe in listening to our clients to produce the best product.
