

# Dent Magic Western Cape

---

120 Buitengracht Street  
Cape Town 8001

Phone: +27(21) 4232668

At Dent Magic, we specialise in the repair of non-structural damage, including panel-replacement, spray repairs, panel beating, paintless dent removal, mag repairs as well as repairs to plastic bumpers and mouldings. All of the services we offer are carefully carried out by our trained and professional technicians who all have years of practical experience. Thanks to our experienced team, our clients can rest assured their vehicles are in safe, qualified hands and will be returned to them looking as good as new! Along with our excellent service comes our 36-month warranty on all of our repair services, as well as a manufacturer lifetime guarantee on all paints used for our repairs. All of these factors combined offers our clients the peace of mind that all repairs done to their vehicles are thoroughly executed, using the best materials. We are also accredited members of the South African Motor Body Repair Association (SAMBRA). This means that the quality of the services our company provides are endorsed by this reputable association. For our clients' convenience, Dent Magic works with and are accredited repair service providers for most of the major indirect insurers. Our Services Repairs to all Body
