The RENEW ROOF StorySince 2007, we have worked tirelessly to earn and increase our reputation for quality and dependability through hard work.The business was created due to an increasing demand for small scale roof repairs and odd waterproofing problems. The first jobs addressed were tile and ridge capping replacements and waterproofing of flashing.We have grown to include all types of works on all types of roofs, from concrete roof slabs to tile and metal roofs.We now also specialize in the least seen aspect of the roof being the attic, the service we offer is old insulation removal, ceiling vacuuming, attic fumigation and retrofitting new insulation.SERVICES WE PROVIDELarge variety of work done on and in the roof.Power WashingRoof RepairsRoof RepairRe-PointingRoof Painting & WaterproofingConcrete Roof DeckConcrete Deck WaterproofingAttic-CleaningAttic FumigationCeiling Installation & RepairsTorch-On WaterproofingAttic cleaningAttic CleaningInsulationPolyester InsulationGutter Repair & ReplaceSilver PaintTorch-On MaintenanceCeiling VacuumingCellulose InsulationSoffit & Fascia
