

Murphy Nutec Homes & Wendy Houses

5 Wimbledon Road, Blackheath Industrial
Blackheath

Phone: +27 67 700 1974

We are a Nutec and Wendy houses construction company specialising in nutec houses, wendy houses and storage sheds. We make use of brand new high quality materials to provide your required durable structures. Our team is experienced in the construction of timber structures and we also have a team of plumbers, electricians, bricklayers, carpenters and other tradesmen to give our clients the best quality services. We offer obligation free quotations in Cape Town and surrounding areas. Founded in 2012 Murphy Wendy's is a team of building professionals led by company founder Murphy Gorosi. We pride ourselves in helping our clients with additional living, working and storage solutions in the form of Wendy & Nutec houses. We build strong, new and high quality structures at competitive market rates. To suit different client needs all our structures are custom made to each client's requirements. We have a vast range of standard sizes available. STRUCTURES Wendy Houses Nutec Houses Storage Sheds Workshops Guard Rooms Security Huts WHY MURPHY WENDY'S Over 10 yrs experience in the industry.
