IT'S US, AND YOU...At Geddes, we raise the bar when it comes to raising capital by striving to remove anything that stands between you and a prosperous tomorrow. Our experienced team is friendly, our terms are transparent, and our application process is fast and simple. Because we understand that opportunities don't wait around forever.WE WORK FOR YOUR BUSINESS.Our small team has worked on 4 continents including 10 African countries. With over 100 years of combined industry experience, we know what it takes to support you in reaching your goals.STOP MISSING OUT ON VALUABLE BUSINESS OPPORTUNITIES DUE TO LACK OF FUNDING.Your business is your dream, your funder should believe in it too. We won't hold you back with slow loan approvals. We'll get behind your business like it's our own because your success is our success.WORK WITH A COMPANY THAT SEES YOUR POTENTIALThat's why we funded the future for one of our farming clients. It's what we call creative, future-focused funding. And it's what sets us apart.Read more about how we supported our farming clients through one of the worst droughts the Northern Cape has seen in centuries.SERVICES OFFEREDBusiness LoansWe pride ourselves on working closely with our customers to find solutions for their funding needs through innovative and strategic thinking. We offer a simple solution to access short-term secured funding, where liquidity is required in the fastest possible time. We offer facilities from R1,000,000

R10,000,000 with terms from as short as 6 months right up to 10 years. We offer one of the fastest application-to-loan turnaround times, with an average of 5 working days to conclude. Bridging Finance Geddes Capital offers Bridging Finance as one of its many different business funding services for South African companies. Our bridge finance offering breaks the mould by delivering finance in creative ways in days, not months. Trade Finance Grow your business and free up cash flow using our trade finance facilities. We offer a range of trade finance funding lines to small and medium-size companies to support your physical commodity transactions. All our trade finance facilities are structured, but often individually tailored to suit our clients' requirements. We consider the below types of transactions: Pre-export trade finance Letter of Credit Supply Chain Finance Import Trade Finance Purchase Order (PO) Finance Inventory Finance You'll never run out of stock again if you let us fund your fast-selling items and maximise your online sales. Lease Funder Why wait for a year? Get your future rental payments today. Invoice Discounting Another innovative solution to unlocking working capital is something we call invoice discounting. In simple terms, We take over your invoices and pay you a portion of their value in cash. We collect the money from your debtors when payment is due. We pay you back the balance of the invoice less the interest charged. It's an easy way to raise cash quickly in order to exploit a new business opportunity while saving time and labour.
